Non-Dress Code Days & Jeans Days

Students are expected to dress modestly for all school days and school events/trips. Before a field trip, the teacher will review appropriate attire for the day. If a student is wearing clothing that is inappropriate for school, the parent will need to bring a change of clothes before the student can participate in the trip. During non-dress code days or jeans days, students are expected to observe the following guidelines.

- Clothing must be school appropriate. This includes graphics and words on t-shirts.
- Shorts & skirts must adhere to the length guidelines for the dress code. Shorts may not rise more than 2 inches above the knee; skirts must touch the knee.
- Clothing must not be tight fitting.
- No spaghetti straps, no lace camisoles.
- No leggings or pajama pants.

Uniforms for P.E. Class

Students in grades 5-8 change for P.E. classes. They must wear the NCS P.E. uniform, which is purchased from Lands' End. Contact the school office for information about the P.E. uniform.

Discipline for Dress Code Violations

There is a difference between forgetfulness and disobedience. We will respond appropriately to either reason for not wearing the proper school dress code. Parents must supervise their child's selection of clothing each day.

1. During the first observation of being out of dress code, one verbal warning will be given to the student.
2. If there is a second dress code violation, an email with the violation information will be sent to the parents.
3. If the problem continues, an administrator will call parents to seek a solution and the student will be given one detention.

Please note: If a student is wearing clothing that is inappropriate for school, they will have to change into dress code clothing supplied by the school office (from the donated dress code clothing supply).
