

Spanish Activities for 4th-5th

Dear Students;

I hope you are doing muy bien.

Here is the homework with the workbook pages for your parents to print for you.

I miss you. Receive many blessings for you and your families.

I am attaching the "ar" verbs chart to this email. It can come handy if you forgot the meaning of the verbs. I am also attaching the worksheets of the book that I want you to work on. Please ask your parents to print them for you.

It will be great if you have a Spanish /English dictionary for any words you may not know.

****For pages 74 and 75**

We have learned the four seasons during the year and the places in the city, but here it goes the vocabulary again.

**Primavera/spring verano/summer otono/ fall invierno/winter
el parque/park la casa/house el supermercado/supermarket**

for page 74 :

Please write the verbs on top or below the pictures before you start answering the sentences.

Remember that all the verbs after me gusta will stay in the infinitive form of the verb.

Example. En el verano me gusta mucho nadar.

When we have two verbs together the first verb gets conjugated(me gusta) and the second stays in the infinitive form (nadar).

for page 75: We have learned the months of the year. (remember we do not capitalize the months of the year in Spanish)

Months

**enero/January febrero/February marzo/March abril/April
mayo/May junio/june julio/July agosto/August
septiembre/September octubre/October noviembre/November
diciembre/December**

Numbers

**uno/one dos/two tres/three cuatro/four cinco/five seis/six siete/seven ocho/eight
nueve/nine diez/ten once/eleven doce/twelve trece/thirteen catorce/fourteen quince/fifteen

diecinueve/nineteen veinte/twenty veintiuno/twenty one
veintidos/twenty two veintitres/twenty three veinticuatro/twenty four

When writing the sentences we need to conjugate the verbs. (we only have one verb in each sentence)

Model Susana nada el siete de noviembre.

****For pages 76 and 77**

Model Te gusta practicar deportes?/Do you like practicing sports?

Si, me gusta practicar deportes/yes, I like practicing sports

Verbos que terminan en -ar

Verbs that end in -ar

Nombre

You have learned how to speak in Spanish about what you like and do not like to do. It is also useful to be able to tell what you and other people do.

Most verbs in Spanish end in **-ar** (**cantar** = to sing, **trabajar** = to work, **nadar** = to swim). This form of the verb is called the infinitive.

The **stem** of the verb is the infinitive minus the **-ar** (example: **hablar-ar** = **habl**). Different endings are added to the stem for each subject.

Here are the subject pronouns and the endings for each one for the sample verb **hablar**.

Hablar					
Singular			Plural		
I	yo	hablo	we	nosotros	hablamos
you (fam.)	tú	hablas		nosotras	
you (formal)	usted	} habla	you (pl.)	ustedes	} hablan
