If a student is wearing clothing that is inappropriate for school, the parent will need to bring a change of clothes before the student can participate in the trip.

During non-dress code days or jeans days, students are expected to observe the following guidelines.

Discipline for Dress Code Violations

There is a difference between forgetfulness and disobedience. We will respond appropriately to either reason for not wearing the proper school dress code. Parents must supervise their child's selection of clothing each day.

1. The first time a student is out of dress code, one verbal warning will be given to the student.
2. If there is a second dress code violation, an email with the violation information will be sent to the parents.
3. If the problem continues, an administrator will call parents to seek a solution and the student will be given one detention.

Please note: If a student is wearing clothing that is inappropriate for school, s/he will have to change into dress code clothing supplied by the school office (from the donated dress code clothing supply). If no suitable clothing is available at school, a parent will need to bring clothes or pick up the students.

Dress Code Expectations in Preschool - Kindergarten

- Students do not follow our full dress code (listed on the previous pages) until they enter 1st grade.
- Students in Preschool - Kindergarten should dress in comfortable, durable, and simple clothing, free of complicated fastenings.
- Please do not dress your child in their best clothing. Although we do use paint smocks, some of the paints have been known to stain.
- Any items with words or images should contain messages that are positive and in agreement with our school beliefs.
- Girls must wear shorts under skirts or dresses.
- All outer garments, including coats, boots, sweaters, hats, and mittens should be labeled with your child's name.
- Shoes with closed toes are strongly recommended for safety (please do not send children in sandals, or flip-flops).
- Makeup and jewelry are not appropriate for children in these grade levels.

Spirit Wear bit.ly/NCS-spirit

NCS Spirit Wear shirts may be worn on designated Spirit Wear Days. These are scheduled at the beginning of the year and typically take place on the last Friday of each month and on any half-days. Students wear regular NCS dress code pants, shorts, or skirts with their Spirit Wear unless special permission has been given for a jeans/sweats day (sometimes this is done as a fundraiser). Some Spirit Wear items that are classified as outerwear or accessories, may not be worn on Spirit Wear Days. See additional information below.

- Fun Run shirts (from the current school year) may be worn as Spirit Wear.
- 8th-grade class shirts may be worn as Spirit Wear, but other class shirts may not.
- Homemade items and items from other vendors may not be worn as Spirit Wear.

Spirit Wear can be purchased here: bit.ly/NCS-spirit.
